

Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Wednesday 31 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Remaining warm with sunny spells today but cloudier overnight.

Today:

A fine and dry day across the region with a mixture of cloud and sunny spells. Feeling warm again today, especially away from windward coasts. Maximum temperature 21 deg C (70 deg F).

Tonight:

Staying dry this evening and overnight for most, although becoming cloudier from the north with, perhaps, a little light rain over the moors. Minimum temperature 6 deg C (43 deg F).

Thursday:

Staying fine and dry on Thursday with sunny spells but feeling cooler as temperatures move back down to average for the time of year. A chilly night with possible frost. Maximum temperature 14 deg C (57 deg F).

Outlook for Friday to Sunday:

Dry with periods of sunshine on Friday and Saturday, but chilly during the night with a risk of frost. Windy with outbreaks of rain on Sunday.
